NAME OF EMPLOYEE: __________________________

Employee Identification Number: __________________________

Period on Staff Phased Retirement Program: ______________ to ______________

EMPLOYEE ACKNOWLEDGEMENT

By signing below, I am indicating that I am voluntarily resigning from my current position in order to be appointed to a non-renewable, limited-term appointment. I am agreeing to reduce my hours and pay, and to accept this limited-term appointment specifically so that I can participate in the Cornell University Staff Phased Retirement Program and receive the benefits of that program.

In exchange for receiving the benefits of the Staff Phased Retirement Program, I am agreeing that I will retire from Cornell on or before the expiration of this new term appointment.

I understand that during my employment in the Staff Phased Retirement Program, I am able to accept temporary Cornell employment in addition to the position I hold as part of the Staff Phased Retirement Program. If I accept an additional regular Cornell position that is benefits-eligible on its own, I understand that I will have to resign from the position I hold as part of the Staff Phased Retirement Program.

I understand that after this term appointment ends and I retire from Cornell, that I will have the same status as any other Cornell retiree (i.e. I will be eligible to apply for and accept any Cornell position that is available to external applicants).
